

We will be starting two new paintings on Day 1, and due to drying time, we will finish them on Day 2.

Technique 1 – Using coloured inks with plastic food wrap.

Technique 2 – Using Resene metallic paints.

You will need:

Your usual acrylics paints, brushes and general equipment.

At least 2 canvasses. Both techniques start with a white gessoed canvas. Bring both on Day 1.

Coloured inks. If you don't have any I will provide them at a small cost.

Clear painting medium or glaze medium or similar thinning agent.

Glad wrap.

Gesso.

3 or 4 Small containers to mix paint in, preferably with a lid.

Resene metallic paints – if you don't have any I will provide them at a small cost. (\$5 for both ink and metallic paint)

Spray bottle.

Suggested references:

For coloured ink background – water scene or forest scene.

For metallic painting – water, rocks, forest.
