

ACRYLIC WORKSHOP- Coochie Art Group

Tuesday 11th & 25th November 2014

with Metka

During the two Tuesdays in November, you will be exploring the wider dimensions of acrylics and compatible mixed media such as inks, pastels and collage suitable for any level of experience. In the first week we will prepare the canvases with collage and gesso to create a rich textured. These will be completed in the second Tuesday.

Through the exploration and challenge of combining acrylics with other media, I will endeavour to lead you to a freer, creative visual expression.

The subject matter will flexibly revolve around Landscapes or a subject of your choice.

Our aim will be to create an artwork with a rich textured foundation and a simple yet harmonious colour scheme.

With a brief discussion on the Theory of Colour and Design, you will find it simple to render your creative work in your own individual style.

Because of the drying process, two pieces may be worked on simultaneously. Perhaps you may choose a large and a smaller canvas.

I encourage you to bring some reference material such as photographs and your own sketches, which will be used as a starting point.

Looking forward to working with you. Metka

Material list will follow some weeks prior.
