

Drawing Insects on Drafting Film

with Louise Saunders

Over 4 Tuesdays, February 6th & 20th
March 6th & 27th, 8.30 am ferry - 3.00 pm

A beautiful ground for drawing, discover the pleasure of drawing and using coloured pencils on drafting film. In this workshop we will draw butterflies or beetles onto our film, draw in some foliage or flowers and then colour with coloured pencils. Finish the work by adding a watercolour backing sheet. A technique for almost any subject! If you love drawing you will love this series of workshops.

To suit the beginners through to advanced. The end result is so effective you will want to do more!
